

## Newsletter - October 2017

---

### Termoventiler AB is growing and we are expanding our organisation!

---

#### We expand our Sales & Market department

We welcome our new employee  
Linda Elofsson, to Termoventiler AB.

Linda is working backoffice and will  
strengthen up our sales & market  
department. Her experience in  
administration and coordination will  
be a benefit to you as a customer.

#### Head of Technical Department with long experience

We welcome Björn Söderholm to our  
team at Termoventiler AB.

Björn is Head of Technical  
Department at Termoventiler and his  
main responsibility is to develop our  
products. He will be a big asset for  
Termoventiler & Debe Flow Group  
with his wide competence and  
technical knowledge.

#### Common questions

You will find the most common  
questions and answers on our website,  
just select categories/products.
